

## Full-Time Staff Triathlon Coach

Starting Salary: \$28,000-33,000

Benefits available

Do you want to make an impact on the sport of triathlon? Join Playtri, the Official Triathlon Store of Ironman, and receive the training, support and opportunities you need to make a name for yourself as a triathlon coach.

Prior experience in triathlon or a sport science background strongly preferred but not required.

Full-time staff coaches typically work 6 days a week, and have a wide range of responsibilities including:

- Coaching individual clients
- Coaching group program practices
- Coaching individual training sessions
- Administering performance testing
- Leading clinics on a variety of endurance sport topics
- Familiarizing him/herself with retail items in order to better assist athletes
- Working the floor and helping facility customers with purchases
- Educating customers on Playtri systems and services
- Assisting with general cleaning and other facility tasks as needed
- Coaching program administration

Selected candidates will receive all necessary training on the job. All full-time staff coaches receive the Playtri Coaching Certification (a \$3000 value) for free as part of their employment contract. All Playtri coaching staff complete a mandatory USOC SafeSport online course, and submit to a background check through Playtri.

Qualified candidates will:

- Be familiar and competent with Microsoft Office products including Word, Excel and PowerPoint
- Work well in a fast-paced team environment
- Be able to manage multiple tasks at once
- Be willing to learn and adapt to new systems quickly
- Have a desire to give back to the community through triathlon
- Embrace Playtri coaching philosophy
- Lead an active lifestyle that acts as a positive example for other athletes

The following are helpful, but not necessary:

- Prior triathlon/endurance sport experience
- Prior coaching experience (triathlon or otherwise)
- Prior retail experience
- Bike fit experience and/or certification(s)
- USA Triathlon coaching certification
