

PLAYTRI Race Director

A Playtri Race Director oversees all aspects of event planning and execution for Playtri owned and produced triathlon, swim, bike and run events and provides operational support across the race calendar. Applicant should have a good working knowledge of running and multisport events. Race Director must be passionate about providing excellent experience for athletes through a safe and well executed race or event. Previous event management experience preferred.

- Design, plan and execute running events and support other multisport events.
- Manage multiple event owner contracts and relationships.
- Supervise and ensure delivery of detailed planning and event documentation.
- Organizational and time management skills
- Creative, practical and logical approach to problem solving
- Must be prepared to work a non-traditional schedule and long hours during event weekends. Must be able to have to lift, load and unload event production equipment.
- Work closely with course marshals, community and volunteer coordinators, timers, and city officials.

This is a part time position.

Pay dependent on experience.
